The image features a blue gradient background with several speech bubbles containing social media icons and text. The bubbles include the Facebook 'f' logo, the Twitter 't' logo, and the words 'Trends', 'Analysis', 'Technologies', and 'News'. Below the bubbles is the 'PRINTACTION' logo, where 'PRINT' is in bold black and 'ACTION' is in grey with a vertical line through the 'O'. At the bottom, there are three lines of text: a Facebook icon followed by 'facebook.com/PrintAction', a Twitter icon followed by 'twitter.com/PrintAction', and 'www.PrintAction.com'.

The image features a blue background with several speech bubbles. A large blue bubble at the top contains the word "Technologies". Below it are two smaller bubbles: an orange one with the Facebook "f" logo and a green one with the Twitter "t" logo. In the center, the word "PRINTACTION" is written in a bold, black, sans-serif font, with a small circular logo to its right. Below this, there are two more speech bubbles: a green one with the word "Trends" and an orange one with the word "News". At the bottom, there is a teal bubble with the word "Analysis". At the very bottom left, there are two social media icons: a Facebook "f" icon followed by the text "facebook.com/PrintAction" and a Twitter "t" icon followed by "twitter.com/PrintAction".

Ganho Inks Ltd.

MANUFACTURED IN CANADA
FABRIQUÉ AU CANADA

We sell quality inks, that are known for their sharpness, runnability, colour strength, and mileage.

Ink that causes down time and wasted paper is no bargain. We have been making inks in Canada for Canadians for 44 years, meeting the needs of our customers.

We offer an array of inks including:

- **FAST TRAP FORMULA**
Formulated to dry on all types of hard to dry non-paper substrates
- **ULTRA QUICK SET FORMULA**
Formulated for quick back-up, excellent for high speed printing
- **HIGH SPEED PROCESS COLOURS**
Positive drying, instant colour on make ready, can stay open in the fountain for at least 48 hours

OUR VALUE LOWERS YOUR COST

Graphic Printing Roller is committed to bringing the best roller technologies to the Canadian market. We scour the world over to bring cutting edge roller products to solve your Canadian problems. Let Canada's largest roller company help you achieve your goals!

OUR PRODUCTS & SERVICES

INTRODUCING

Exclusive HYBRID & UV roller technology for Litho & Label printing. This special resin covering will outperform all other rubber based polymers currently available worldwide. It will not swell or get tacky, and cleans up quickly, making for easy colour changes.

- NEW Heidelberg Pan compound that eliminates heavy water areas
- Advanced rubber technologies that maximize roller service life
- Rilsan® nylon & HDP coverings
- Roller cores in steel, aluminum and carbon fiber
- Polyurethane coatings for high abrasion rollers for Folder Nips, Chill Nips, & Infeed positions
- Coating & Laminating coverings, including sleeve technology
- Bearing distributor for SKF, NSK & NTN
- All of our products are manufactured by us to ensure the highest quality & services to our Customers
- 3 manufacturing sites in Canada... Markham, Montreal and Mississauga

Why do you fixate on the quality of B&W just as much as your colour?

Why is the first job just as important as the last?

Why feature our scheduler in this year's Buyers' Guide?

Because It Counts.
